

Seungmin David Lee Creative Designer dxxidlee.com dxxidlee@gmail.com +1 201 899 0049		
Experience	Independent Practice Designer & Design Engineer Aug 2025–Present	Design and build for MegaETH, Khalid, Ahn Hyo-seop, and Made by Hob, spanning music video credit typesetting, campaign identity, and e-commerce sites.
	McCANN New York Freelance Designer Aug 2026–Present	Continuing at McCANN New York to work on brand systems and build the tools behind them.
	McCANN New York Design Intern Jun 2026–Aug 2026	Built and shipped an internal toolkit that sped up production across the design department, from a gradient generator to logo variation and After Effects automation, bringing AI into daily workflow. Designed for Ralph Lauren, Chick- fil-A, Lysol, State Street, and K-Y; art directed the agency’s Summer Party.
	Studio Betty Wang Design Intern May 2025–Sep 2025	Developed client-ready concepts through prototyping, visual research, and sketching for Midjourney, Aspen Art Museum, Arsham Studio, and Fig Mother.
	Hard Sun Design Intern Jun 2025–Aug 2025	Built brand systems for a sunscreen brand through launch, contributing design research, brand-adjacent objects, and external work spanning book covers, billboards, and podcast visuals.
	The Metropolitan Museum of Art Intern, The Costume Institute Jun 2022–Aug 2022	Designed exhibition labels for gallery installation, conserved garments using microscopy, and led exhibition-related design projects while managing the department’s social media account.
